**CHRISTINA DEMUSÉE DONATES ART TO THE MAKE-A-WISH FOUNDATION  
FOR CHARITY ART AUCTION**

Celebrated artist Christina DeMusée donated one of their latest limited edition releases, "Far Niente" to the Fourth Annual Wine Tasting & Auction sponsored by the Make-A-Wish Foundation. Organizer Shepard Ross assembled a spectacular collection of art by some of the leading artists in the country today.

Participating artists included Christina DeMusée, Jennifer Marks, Amanda Watt, James Talmadge, Aldo Luongo, Tony Curtis, Susan Rios, Leo Poscillico, Tarkay, Waranabe, Melanie Taylor Kent, Linnea Pergola, Peter Max, and John Nieto. Many of the artists made a personal appearance at the event to assist Shepard Ross's effort to generate exceptionally high bids for the art and this wonderful cause.

The event was held in a converted airplane hanger at the Santa Monica Airport, Santa Monica, California, on February 21, 1997. More than 1,000 guests paid \$50 to attend this gala affair.

More than 70 wineries and restaurants participated in the event allowing art bidders to sample great wines and fine foods during the silent auction.
